Attention Steve Arnold

Donors without Borders

Dear Steve

Thanks you very much for the work you have done regarding the donations of finance and gifts in kind towards Australian Relief and Mercy Services initiatives during the past six months.

We have received confirmation from the warehouse regarding the title transfer of the medicines donated and have issued the receipts accordingly for your office to forward to the donors.

Please pass on our thanks to all those involved and of course in particular to the donors themselves.

Kind Regards

Kris Thomson
